

I was relaxing up in the sky
because I was feeling a bit sleepy.
Suddenly a cow jumped over me! A
COW! I couldn't believe it!

I was in the mood for some music
so I started to play my fiddle. The
cow enjoyed it so much that she
jumped over the moon!

I was having a little swim when
someone with a net caught me! I
managed to escape by biting them
on the finger!

I decided to run up to the top of the big clock. It gave me a fright when the clock struck one! It was REALLY loud! I ran back down as fast as I could!

I thought it'd be fun to climb up
the waterspout, but just then it
started to rain! The water washed
me out of the pipe!

I was quite surprised to see the cat
playing the fiddle. I started to
dance and then I jumped up and
OVER the moon!

Today I saw my friend the cat
playing a fiddle and then the cow
jumped OVER the moon! It was SO
funny. I couldn't stop laughing!

I usually stay high above the earth.
You will probably see me twinkling
at night. Some people even say
that I look like a diamond.
